Event Planning

* MBW is not your event planner. To ensure you have a wonderful memory of your special day we request that you have an event planner manage and coordinate the various elements of your event.

* MBW works with an independent event planner/coordinator who will be happy to help you with your event needs. They will provide you with prices for linens, chair covers, tents, tables, chairs, decorating, etc. Our web site "Event Rental" link will help you find local businesses that will be happy to make this a special day for you and your guests. MBW is not responsible for services provided by any independent contractors or vendors.

* MBW will not set-up or take-down your event. We require that clean-up and take-down be completed by the close of the following day after your event. In some instances we may require clean-up and take-down to be completed sooner if there is another event planned for the following day.
